Welcome to Meritrust

We look forward to partnering with you! Our promise to you is to always offer convenience and flexibility, because we know as a business owner, time is money. Please use the following checklist to gather up your required business documents ahead of time to help make your trip to the branch quick and easy.

Become a Business Member
Before you get started, it’s important to know Meritrust is a member-owned, not-for-profit financial cooperative. To establish membership, you’ll need to open and maintain a minimum deposit of $5 in your Business Membership Savings account – your share of ownership in the credit union. When you open an account with us, you’re becoming more than a member, you’re becoming an owner!

Already a member? Great! We require any individual with accounts be in good standing with Meritrust.
